Overstrung Piano Hire

- For hiring Upright Piano
- Cost: £40 a month. Minimum contract: 12 months
- A direct debit needs to be set up for regular monthly payments with the day of delivery as the first payment
- Price includes one tuning per year plus rectifying any faults.
- There is an additional £100 charge towards transportation costs
- In the unlikely event of the customer wishing to cancel this arrangement early the remaining amount for the year will be payable to Peter Tryon Pianos Ltd (Except by agreement).
- To keep costs down the piano should be covered by the persons household insurance policy.
- There is no minimum hire period after twelve months. The piano can then be returned at any time.
- The piano may be purchased at any time after six months

Monthly payment paid into: (*Please advise how you want to pay this.)
